Do Contact Lens Solutions Keep Your Contact Cases Bacteria Free?

Division: Physical & Mathematical Sciences / None

Category: Intermediate

Region: Parkland

City: Foam LAke, SK

School: Foam Lake Composite High School

Abstract: Do you wear contacts? If so do you find that sometimes your eyes are itchy or irritated? Well have you ever considered that it might be your contact solution? For my experiment I tested to see if contact lens solutions will keep your contact cases bacteria free. The results are shocking! Come find out what you can do to save your eyes!

Biography

Hi! My name is Kelsey. I am involved in hockey, basketball, dance, and volleyball. I play the piano and i am working on becoming a lifeguard. I plan to go into the medical field when I have finished my highschool education. My favorite subjects are math and science! I attended CWSF last year in Quebec! I recieved a silver medal in life sciences in the intermediate level.
