

# CWSF 2012 - Charlottetown, Prince Edward Island

## Tim Carlielle

### The SkiBreeze - A Ski Innovation

**Challenge:** Resources

**Category:** Senior

**Region:** Central Alberta

**City:** Olds, AB

**School:** Olds Junior Senior High School

**Abstract:** This project seeks to develop a winter transportation unit that propels a user over snow or ice on a pair of downhill skis. The SkiBreeze this is designed for simple and efficient transportation, and has potential application in a number of practical fields, as well as the recreational sector.

#### Biography

Science has always been an important part of my life. As a child, I enjoyed taking apart anything I could get my hands on, whether it be a computer or a VCR. More recently, I've progressed to putting things together; building radio controlled aircraft, welding stuff in my garage and fixing up cars.
